HM = Helmet mounted. BM = Browguard mounted *Only applicable when combined with EVO safety helmet, arc flash protection not available with browguard system.

✓ EYE & FACE PROTECTION

The full EVOGuard®C Industrial eye protection range is made with optical class 1 material. They provide UV protection and can provide the same level of protection even at extreme temperatures.

✓ IMPACT

Five high performance visors offering up to A-rated impact resistance when fitted to a safety helmet and fully compatible with EVOGuard® browguard for medium energy B-rated impact protection.

✓ SUPREME COMFORT

Features the new JSP Revolution® wheel ratchet, securely tightening and holding the unit firmly in position, no matter the task or amount of user movement involved.

✓ COMPATIBILITY

EVOGuard® visors maximise compatibility with JSP half masks, disposable respirators, prescription glasses and the Sonis® helmet mounted ear defender range. Also can be worn over a Hardcap® Aerolite™

✓ COVERAGE

EVOGuard® visors provide comprehensive facial coverage without limiting movement. EVOGuard® MAX visors offer enhanced coverage with an integral chinguard.

✓ MAXIMUM ADJUSTABILITY

Multiple fitting positions allow the wearer to adjust the browguard in three ways. An over the crown slide fitting combined with a forward and back adjustment, maximises compatibility with different head shapes.
