Advanced PET bottle fibre technology for sustainability with biodegradable nitrile micro foam.

- Recycled PET bottle fibre development for sustainability
- The Recycled Claim Standard Blended verifies the glove contains 31% recycled post-consumer PET
- One PET bottle = One Pair gloves
- Pinky drop technology ensures that the glove follows the contours of the hand including the little finger, this improves dexterity and ultimate comfort
- 360° Breathability reduces clammy hands
- Ultra-fine coating for high sensitivity
- Biodegradable nitrile micro-foam which breaks down in landfill within 2-3 years
- Powerful grip across wide range of applications
